Preface

The Exempt Salary Schedule provides salary information on elected state officers whose salaries are established by the California Citizens Compensation Commission, on "statutory" exempt state officers in the Executive Branch whose salaries are fixed by law, and on "non-statutory" exempt positions whose salaries are recommended by the appointing power and approved by the Department of Personnel Administration under the authority of Government Code §19825. (See the section entitled "Salary Setting in the Executive Branch.")

Many of the salaries published here are subject to change as the duties, responsibilities, and organizational relationships of many of the positions listed may change. Personnel Offices are notified via the Exempt Pay Letter whenever the salaries of exempt positions assigned to their department are changed and approved by the Department of Personnel Administration. State personnel staff may review the latest information through the State Controller's California State Pay (CSP) screen in the automated payroll system or through the Personnel Information Exchange (PIE) on the DPA web site.

Salary-setting in the Executive Branch (Non-civil service)

The Government of the State of California has several salary-setting mechanisms that establish the salaries of elected and appointed officials who are not in the Civil Service.

Elected Officials

The California Citizens Compensation Commission meets annually in the spring to review and establish salaries and benefits for elected officials in the Executive and Legislative branches. The Commission consists of seven members appointed by the Governor, three representing the public and two each the business community and labor organizations. Salaries become effective the first day of the new legislative session — the first Monday of December. The Department of Personnel Administration provides staff support to the Commission.

Appointed State Officers

The salaries of most top level state officers (Agency Secretaries and Department Directors) who are appointed by the Governor are set in Chapter 6, Part 1, Division 3, of Title 2 of the Government Code. Each section in this chapter lists a salary and the positions that are to receive that salary. (The State Senate must confirm any appointee to a position listed in this chapter.)

Chapter 6 also includes provisions that most of the salaries listed will increase in any fiscal year in which a general salary increase is provided for state employees. The amount of the increase shall be comparable to, but shall not exceed, the percentage of the general salary increases provided for state employees. The Department of Personnel Administration reports the amount of the increase to the State Controller (who administers the payroll system) to implement the increase.

Department of Personnel Administration (DPA) Exempts

The Constitution of the State of California provides that members of boards and commissions, appointees of the Governor and one appointee of each Governor's appointee shall be exempt from civil service. All those that do not fall under the categories of appointed state officer or elected state official (above) come under the salary approval authority of the Department of Personnel Administration (DPA). For these employees, DPA approves the salary range for each position and determines any annual increase. These positions normally receive the same increase provided comparable civil service employees.

Please see "Exempt Authority" in the [Explanatory Notes](#) below for an explanation of the various exempt appointments.

Excluded Employees

The term "excluded" often is confused with "exempt", however they are different. An excluded employee is excluded from collective bargaining (the Dills Act). An exempt employee is exempt from the civil service law and rules. Most exempt employees are excluded but some are not. The terms are not interchangeable.

Work Week Group Definitions

Work Week Group 2:

(Effective 10/1/85)

Overtime for employees in classes not eligible for exemption under Section 7K of the Fair Labor Standards Act (FLSA) is defined as all hours worked in excess of 40 hours in a period of 168 hours or seven consecutive 24-hour periods.

Hours Worked

For the purpose of identifying hours worked under the provisions of the FLSA, only the time that is controlled or required by the State and pursued for the benefit of the State need be counted. Thus paid leave such as vacation, sick leave, holidays, compensating time off, etc., need not be included when determining if overtime hours have been worked under the FLSA. However, under applicable State regulations, paid leave is considered time worked and when an employee works more than 40 hours in a week that includes paid leave, an overtime payment obligation is incurred.

Work Periods

A work period for WWG 2 employees is defined as a fixed and regularly occurring period of 168 hours - seven consecutive 24-hour periods. The appointing power determines the work week which may begin on any day at any hour. Once the beginning time of an employee's work week is established and noted in the records, it remains fixed regardless of the schedule of hours worked. The beginning of a work week may be changed if the change is intended to be permanent and it is not designed to evade the overtime provision of the FLSA.

In order to qualify for the Section 7K exemption, the employer must note in records applicable to each employee affected the 7K exemption is claimed and indicate the length of the work period, the starting day of the work period and the starting time of the day.

Overtime Authorization

An employee shall not work overtime unless ordered to do so by his supervisor. A supervisor shall not allow an employee to perform overtime work without prior authorization and shall take affirmative steps to prevent unauthorized overtime from being worked.

Overtime Credit

Overtime will be credited on a one-quarter of an hour basis with a full quarter hour credit to be granted if half or more of the period is worked. Smaller fractional units will not be accumulated; however, if an employee regularly works overtime in increments of less than 7 1/2 minutes, periodic adjustments shall be made so that, over a period of time, the employee will be compensated for all hours actually worked.

Overtime Compensations

The method of compensation (cash or compensating time off) for FLSA overtime worked shall be at the discretion of the appointing power in accordance with the following:

Compensating time off on a one and one-half time basis may be authorized in lieu of cash compensation if granted within the pay period.

Cash compensation may be authorized and the rate of cash compensation paid for overtime shall be one and one-half times the hourly equivalent of the employee's salary as of the time the overtime was worked. Fair Labor Standards Act overtime remaining at the end of the pay period shall be compensated for in cash.

Determination of Coverage under FLSA

The provisions of Work Week Group 2 are made applicable to all classes that are determined by the Director of the Department of Personnel Administration to include positions subject to the Fair Labor Standards Act.

Work Week Group "E"

Work Week Group "E" includes classes that are exempted from coverage under the FLSA because of the "white-collar" (administrative, executive, professional) exemptions. To be eligible for this exemption a position must meet both the "salary basis" and the "duties" test.

Exempt (WWG E) employees are paid on a "salaried" basis and the regular rate of pay is full compensation for all hours worked to perform assigned duties. However, these employees shall receive up to 8 hours holiday credit when authorized to work on a holiday. Work Week Group E employees shall not receive any form of additional compensation, whether formal or informal, unless otherwise provided by the provisions of this work week group.

Consistent with the "salaried" nature of such a position, an exempt employee:

- Shall not be charged any paid leave for absences in less than whole day increments;
- Shall not be docked for absences of less than a work period.
- Shall not be subject to a disciplinary action suspension of less than full work week increments unless there is a violation of a major safety rule; and
- Shall not be required to document hours worked for payroll purposes.

Work Week Group "SE" (Physicians, Attorneys, Teachers)

Work Week Group "SE" applies to classes and positions with an average work week of 40 hours. The regular rate of pay is full compensation for all time that is required for the employee to perform the duties of the position. However, these employees shall receive up to eight hours of holiday credit when ordered to work on a holiday. Hours of work in excess of the average work week are not compensable, and shall not be deemed overtime. If an employee in this subgroup is not required by the appointing power to work a normal workday or part thereof, the employee nevertheless shall receive the regular rate of pay without deduction for the entire pay period.

Consistent with the "salaried" nature of such a position, an exempt employee:

- Shall not be charged any paid leave for absences in less than whole day increments;
- Shall not be docked for absences of less than a work period.
- Shall not be subject to a disciplinary action suspension of less than full work week increments unless there is a violation of a major safety rule; and
- Shall not be required to document hours worked for payroll purposes.

For rank and file employees, refer to the appropriate collective bargaining agreement for specific provisions that may otherwise be addressed and not contained in the above work week group definition.

The Exempt Position Request

The Exempt Position Request (EPR) was designed to provide the Governor's Office and DPA with the information needed to process the paperwork associated with an exempt appointment and salary changes. A copy of the form is shown on the next page. Part 1 is filled out by the requesting department and includes:

Information on the appointee:

- ✓ Name
- ✓ Proposed Salary
- ✓ Proposed Appointment Date

If a current employee:

- ✓ Class code of the classification to which currently appointed
- ✓ Current salary rate
- ✓ Current employing department

Current Exempt Pay Scale Information

Proposed Exempt Pay Scale Changes (if any)

If an existing exempt classification is being used, it often must be revised to reflect new duties and responsibilities. This often includes salary and other changes that must be made in the Exempt Pay Scale. If a new classification is being created for a new entitlement, only the proposed "To :" information should be filled out and the appropriate "new exempt class" box should be checked.

The EPR should be signed and sent forward to the department's Agency for approval (if the department reports to an Agency) and then to the Governor's Appointments Unit. **A duty statement and organization chart must be attached as part of the package.** A copy of the package must be sent to the DPA Exempt Unit at this time. Upon review and approval by the Appointments Unit, the EPR will be forwarded to DPA. Departments and Agencies reporting directly to the Governor's Office should forward the EPR to the Governor's Appointments Unit. Independent agencies such as Constitutional Officers departments should forward the EPR directly to DPA.

A copy of the Exempt Position Request will be found on the next page. It is also available at the Personnel Information Exchange (PIE) as service for State Personnel Offices located on DPA website (www.dpa.ca.gov) where it may be filled out and printed, or downloaded to a local PC. (The PIE is available to personnel offices by subscription only.)

The Conversion Process

This process is provided for by Government Code section 12010.6 and is available to line agency departments only, i.e., departments whose directors are directly appointed by the Governor. Boards and commissions and departments headed by elected officials are not eligible to use these procedures.

The department must identify a vacant position that has been designated managerial by the Department of Personnel Administration (DPA) or have a vacant position that DPA can legitimately reclassify to a managerial class. Once the position is identified, the regular appointment process is followed. The EPR must indicate that a new exempt class is being proposed based on the conversion of a vacant civil service managerial position and the position number of the civil service class must be included.

If a department wishes to return an exempt position to civil service, they must obtain the approval of the Governor. The Governor's Office and DPA will determine if the exempt class should be abolished or inactivated on a temporary basis. In no case can the exempt class be used after the position has returned to civil service unless a new conversion is approved or, if the return was temporary, until the Governor's Office is notified and DPA reactivates the exempt class.

If any further information is needed, the DPA Exempt Unit can be reached on (916) 324-9381.

Return to: [Table of Contents](#).

Salary Changes for Exempt Classes

By law, the Department of Personnel Administration must approve the salary of each exempt position unless the law specifically exempts it. DPA consults with the Governor's Office Appointments Unit in reviewing specific requests to change exempt position salaries. Approval of changes in salary levels for exempt positions must be obtained **prior** to discussion of salary with potential appointees.

The modified classification review (MCR) process is used to indicate whether or not a position may be refilled at the existing salary level without DPA approval.

DPA has discontinued the use of the MCR process for exempt classes. All exempt appointments must be approved by the Governor's Office (except appointees of other elected officials) and are therefore the equivalent to NO MCR. The MCR notation is NONE. The only exceptions are classifications used in the Governor's Office, which are MCR I. All appointments require that the Exempt Position Request (EPR) be filled out.

MCR I

These positions do not require prior review and approval by DPA. Departments may key the PAR transaction directly into the State Controller's Office. Item 435 of the PAR must be completed. These are positions whose salaries are not subject to DPA approval because they are either statutorily exempt from DPA approval or are established in statute (statutory exemptions).

MCR II

MCR II positions may be refilled if there is no change in duties since last approved by DPA. If there is a change in duties or organizational structure, a new duty statement and organization chart must be submitted before a new appointment is made. Note that exempt classifications marked as MCR II are in the process of being changed to either MCR I or MCR NONE.

NONE (No MCR)

Appointments to these positions must be reviewed by the Governor's Office. Departments must send a cover memo of explanation, an Exempt Position Request (EPR), a duty statement, and organization chart through the Appointments Unit to the Exempt Unit of DPA. See the section on

If approved, by DPA, the cover memo will be returned to the department with the DPA approval date stamped on it. This date must be entered in Item 435 of the PAR.

Lump Sum Payments to Statutory Officers

Background

Certain Statutory Officers (those Governor's appointees and elected officials whose salaries are set in statute) do not earn or use sick leave, vacation, or annual leave. An individual with prior state service, exempt or civil service, who is appointed to a position earning a statutory salary, may elect to receive a lump sum payment for accrued vacation or annual leave just prior to being appointed to or during the appointment to the statutory position. Payment is made at the salary rate of the last position where the leave was last earned. If the appointee chooses not to receive a lump sum payment at that time, the amount of leave is "banked" and is available if the individual returns to a position where leave is accrued and used.

When a statutory officer leaves state service, a lump sum payment is made if there is an existing leave balance. However, the rate of pay must be at the salary rate of the position where leave was last earned, adjusted for general salary increases that would have been received (as though the individual had remained in the former position). If the former position was civil service, the individual is reinstated to the former position and immediately separated, allowing a lump sum payment at the current rate of pay of the former position. **However, since the duties, and therefore the salaries, of an exempt position can change dramatically over time, the department must get the approval of the Department of Personnel Administration if reinstatement is to an exempt position.** The last department in which leave was earned is responsible for the payment although there is no prohibition on the current department making the payment if it chooses to do so.

Procedures for Lump Sum Payment in an exempt position

Send DPA a memo with the name, social security number, last date in the position in which vacation or annual leave was earned, class code, title of the position and the salary on the date he/she left. Show your calculation of what the present day salary would be with general salary increases.

DPA will verify (or correct) the salary information and return the approval to the department. If the approved salary is the current salary rate for the DPA exempt position to which the individual is reinstated, the department can key enter the reinstatement and the separation for the lump sum payment. If the approved salary is NOT the current salary rate, the department must send the reinstatement and separation PAR documentation with a copy of DPA's approval to the State Controller's Office for processing. Refer to the Personnel Action Manual Section 5.75 for further details.

In some cases, the statutory officer who banked leave credits may later request payment before leaving state service. This is permissible, but again, the lump sum payment must be made based on the salary of the position in which leave was last earned. DPA approval of the salary rate for the lump sum payment must be obtained by following the above procedures. Once the approved salary rate is received from DPA, the department can process the reinstatement and separation PAR documents as indicated above.

Explanatory Notes

In the following pay scale section of the salary schedule, classes are listed in a schematic arrangement to show departmental/agency groupings. Each exempt position has been assigned a schematic code consisting of two letters and two digits that immediately precede the class code. The schematic code is used to organize classes by agency and department in the pay scales.

Each exempt position has also been assigned a four digit class code number that immediately precedes the class title. This number is used for payroll and transaction purposes.

Title

Each exempt position is assigned a title. More than one department may have a class with the same title, but each class will have a different class and schematic code.

Entitlement

The California Legal Code Section that authorizes the exempt position. Please be sure to notify Department of Personnel Administration if an entitlement changes, as this affects the employee's appointment papers and may delay processing by State Controller's Office.

Compensation

The rate of pay assigned to that position. Unless otherwise specified, all rates of pay are quoted in dollars per month and are for fulltime employment.

Exempt Levels

The standard exempt levels with monthly and annual salary rates are listed as Chart I.

Work Week Group

"WWG" is the abbreviation for workweek group. The definitions of the workweek groups to which positions are assigned appear in the Workweek Group Definition Section of the Pay Scale.

Collective Bargaining Identifier

"CBID" is the abbreviation for Collective Bargaining Identifier. All classes with a CBID beginning with "E" are excluded from collective bargaining. They receive benefits equivalent to the following categories:

E99	Management
E98	Supervisory
E97	Confidential
E79	Non-supervisory management
E	Not eligible for benefits

Salary Steps

Exempt classes with salary ranges no longer have predefined steps. New employees normally will be hired at the minimum salary of the class and will be eligible for a 5% increase on their anniversary date. The State Controller's Office will automatically compute the increase at 5% above the current salary. State agencies may wish to refer to the Universal Salary Schedule found in the Civil Service Pay Scales. Requests to hire above the minimum salary rate must be approved in advance by the Governor's Office using the Exempt Position Request (EPR) and forwarded to the Department of Personnel Administration.

Exempt authority

Authority for all appointments is found in the Constitution, Article VII, Section 4. The following are the authority explanations (lettering coincides with that of the Constitution):

- (a) Legislative officers and employees.
- (b) Judicial Branch officers and employees.
- (c) Elected officials plus a deputy and an employee selected by each elected officer.
- (d) Members of boards and commissions.
- (e) A deputy or employee selected by each board or commission.
- (f) State officers appointed by the Governor or the Lieutenant Governor.
- (g) A deputy or employee selected by each officer under Section 4(f).
- (h) University of California and California State College officers and employees.
- (i) Teaching staff of schools under Department of Education — or Superintendent of Public Instruction Jurisdiction.
- (j) Member, inmate, and patient help in State homes, charitable or correctional institutions, and State facilities for mentally ill or retarded persons.
- (k) Members of the militia while engaged in military service.
- (l) District agricultural association officers and employees, employed less than six months in a calendar year.
- (m) In addition, the Attorney General may appoint or employ six deputies or employees, the Public Utilities Commission may appoint or employ one deputy or employee, and the Legislative Council may appoint or employ two deputies or employees.
